PROGRAMME OVERVIEW

UGC NET Paper 1 is designed to assess candidates on teaching aptitude, research aptitude, comprehension, communication, reasoning, data interpretation, ICT, environment and the higher education system.

Our **UGC NET Paper 1 Complete Preparation Programme** provides a structured and exam-oriented learning journey covering the **complete Paper 1 syllabus through 50 live sessions**.

With **5- Day Classes per Week (Monday to Friday)**, candidates get sufficient time to understand concepts, practise questions, revise topics and prepare systematically.

Our Approach

CONCEPT → PRACTICE → REVISION → TEST → IMPROVEMENT

The programme is suitable for both first-time aspirants and candidates looking to strengthen their Paper 1 score.

WHY PAPER 1 MATTERS

Paper 1 can play an important role in improving your overall UGC NET performance.

A strong Paper 1 preparation strategy requires more than memorising MCQs.

You need to:

- Understand the concepts
- Identify important topics
- Practise different question patterns
- Improve speed and accuracy
- Revise regularly
- Analyse your preparation through tests

Our programme is designed around these five stages of preparation.

COMPLETE SYLLABUS COVERAGE
